Leonardo Academy is working with the Clinton Foundation to manage the LEED for Existing Building (LEED-EB) certification process and greening of operations at the Clinton Presidential Library in Little Rock, Arkansas. The Clinton Library received Silver Certification under the U.S. Green Building Council's LEED for New Construction program in 2004. The goal of the announced LEED-EB initiative is to make the Clinton Library building operations progressively greener and to inform the public about green building. President Clinton’s aim, announced on Earth Day 2007, is to achieve LEED-EB Platinum Certification, the highest certification possible. >> More
